The Resume should be short and to the point. Include all key contact information. Make sure it is accurate. If a school has their own profile sheet fill it out promptly. The Student/Athlete should correspond with the coaches not the parents. Sorry mom and dad they are recruiting your child not you. You should be involved and give plenty of advice, but let your son or daughter take charge of the process. Please contact Director of Coaching Cam Ormsby @ [cam@ocsa-nc.com](mailto:cam@ocsa-nc.com) if you have any questions or need help.
